

2018 the 3rd Optoelectronics Global Conference

OGC 2018

ABOUT OGC 2018

The big leaps in optoelectronic technology and academia have drawn increasing attention from the industry community which is always in searching of innovative solutions. The Optoelectronics Global Conference (OGC) was created to pave the way connecting optoelectronic academia and industry as well as connecting China and the rest of the world.

2018 the 3rd Optoelectronics Global Conference will be held concurrently with the 20th China International Optoelectronic Exposition (CIOE) in Shenzhen. The conference aims to promote interaction and exchange of various disciplines among professionals in academia and industry at home and abroad. In addition, it also serves to turn technologies into industrial applications. It's expected that 300-500 professionals will attend the conference.

OGC will be an ideal platform for scholars, researchers and professionals to exchange insights and discuss the development of optoelectronics industry. It will be a perfect gathering to learn about new perspectives, technologies and trends which might push the boundaries of the technology and eventually create a broader future for optoelectronics applications.

8 symposia will be talked on the conference with the topics covering precision optics, optical communications, lasers, infrared applications, and fiber sensors. Welcome the professionals, experts, managements and students from the universities, research institutions, military enterprises, and optoelectronic companies to attend the conference.

Topics

- Laser Technology
- Optical Communication and Networks
- Infrared Technologies and Applications
- Precision Optics
- Lightings and Displays
- Optoelectronic Devices and Applications
- Biophotonics and Biomedical Optics
- Fiber-Based Technologies and Applications
- Optical Fiber Technology in Endoscope

Submission

Abstract Submission is acceptable, if you consider presentation only without publication.

If you consider present your work at the conference and publish your paper on **IEEE conference proceeding** (reviewed by the IEEE Conference Publication Program for IEEE Xplore and **Ei Compendex & SCOPUS**), please submit your full paper. Each paper should have full 4 pages at least, maximum 5 pages, more pages will be charged.

Online Submission System: Please submit your work via Easy Chair:

<https://easychair.org/conferences/?conf=ogc2018>

Email Submission: You can simply submit your work via conference secretary email: info@ieeeogc.com

Important Date

Submission Deadline:	June 01, 2018
Notification Date:	June 20, 2018
Registration Deadline:	August 01, 2018
Conference Sign in Date:	September 04, 2018
Main Conference Date:	September 05-07, 2018
